## Foot Massager Centre FM 8720

### Product data

- 220-240 V~, 50 Hz mains operation
- Power output 360-400 W
- Brings tired feet to life again, stimulates the foot reflex zones, relieves tension, strengthens muscle tone, helps blood circulation.
- Magnet therapy and foot reflex zone massage:  
Six magnets, rotating massage rollers and approx. 400 massage nodes on the bottom of the housing, magnet therapy and vibration massage stimulate the foot reflex zones and improve blood circulation
- Bluelight stimulation: works wonders on sore feet
- Bubble massage: Warm water foot bath with water spa, for soothing muscles, improving blood circulation and metabolism, ideal for combining with a vibration massage
- Water warms up with a built-in heater, individual temperature settings between 35° C and 48° C in five stages, LCD temperatur display (target temperature). An even, pleasant water temperature gives an effective, invigorating massage
- Timer for 20 to 60 minutes of operating
- Digital display / control panel
- Pedicure attachments: pumic stone, brush and massage roller
- Anti-slip stand
- Automatic cable rewind
- Colour: white/light blue
